

'Cell Communication' satellite meeting

in Nelson, New Zealand

1st-2nd September, 2016

www.queenstownresearchweek.org

Abstract deadline 15th July 2016

✚ Plant Cellular Signalling

Marilyn Anderson, La Trobe University

Barry Pogson, Australian National University

○ Extracellular Vesicles

Andy Hill, La Trobe University

Georges Grau, The University of Sydney

Alex McLellan, The University of Otago

David Greening, La Trobe University

Michael Buckland, The University of Sydney

Carlos Salomon Gallo, The University of Queensland

Cath Suter, Victor Chang Cardiac Research Institute

◆ Microbe Communication

Simon Swift, The University of Auckland

Mike Taylor, The University of Auckland

◎ Intra- and Inter- cellular signalling

Mike Berridge, Malaghan Institute

James Murphy, Walter and Eliza Hall Institute

Natasha Grimsey, The University of Auckland

Holly Anderton, Walter and Eliza Hall Institute
