

# QMB Drug Discovery Satellite Meeting

28th-29th August 2016

Rutherford Hotel, Nelson

## Sessions

Translation of Drug Leads to the Clinic and Market

Structural Biology and Drug-Target Interactions

Medicinal Chemistry and Pharmacology

Natural Product Based Drug Discovery

Commercialisation of Drug Discovery

Structure Based Drug Design

Cancer Immunotherapy

## Call for Abstracts

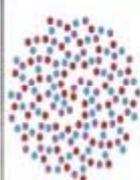

The poster session on 28 August is a major focus of this satellite meeting. Some abstracts will be selected for a short oral presentation as a "taster" before the poster session. Please send your abstract by email to the organisers by 28 June and state whether you would like to be considered for an oral presentation.

## Organisers

Gary Evans (Gary.Evans@vuw.ac.nz)

Joanne Harvey (Joanne.Harvey@vuw.ac.nz)
